

First Tee - Greater Detroit Summer Golf Outing Sponsorships

Presented By:

Building Game Changers

At First Tee - Greater Detroit we enable kids to build the strength of character that empowers them through a lifetime of new challenges. By seamlessly integrating the game of golf with a life skills curriculum, we create active learning experiences that build inner strength, self-confidence and resilience kids carry with them as they mature.

Experiences are, in fact, our greatest teacher. First Tee believes in developing the ones that are just as fun as they are meaningful, where kids feel excited to grow, safe to fail and better equipped for whatever comes their way next. Through our golf-based personal growth program, we see kids build life and leadership skills that help them in all areas of life, including school, friendships and eventually careers.

This year we will once again hold our summer golf outing, which is presented by the Detroit Pistons, at the Country Club of Detroit. Like we did last year, we'll offer an array of great sponsorship opportunities for organizations to elevate their brands while supporting First Tee - Greater Detroit.

This is an important fundraising event for our chapter and we hope you will join us!
