

 **first tee**[®]

National Championship

June 23-27, 2024 | Clemson, SC

First Tee National Championship brings together First Tee's top players for an opportunity to showcase how the program has helped build the strength of character needed to play under pressure at the collegiate and/or next level. First Tee National Championship is played at acclaimed college campuses, including Clemson University, Notre Dame and Stanford University, and is the only national event that is purely tournament golf.

This experience will include:

- 54-hole National golf competition
- Guest speaker and a panel discussion on topics related to the golf industry
- The winner in each division, if eligible, earns an exemption to the PURE Insurance Championship

For eligibility & application details please contact your chapter.
